Realtor Games is a fun, friendly competitive 'field day' event where teams* compete for the coveted championship title, all while making a difference! This year, PSAR and NSDCAR have partnered to support the efforts of The Chicano Federation and The Realtor Relief Fund. All profits raised from this event will go to these amazing organizations helping local families get back into their homes after the devastating floods in January.

Held at NTC Park in Liberty Station, we will have food and drinks, a DJ to keep you groovin' and a 360 Photo booth to commemorate the occasion!

Teams* of 5 will compete in a series of Games to take home the coveted title of

Realtor Games 2024 Champion

Games will include:

SACK Race

JENGA

CORNHOLE

FOOTBALL TOSS

a PUZZLE

CHAMPIONSHIP RELAY RACE!

Each team* will rotate through every game and will earn points based on the results. You will have a group leader to keep scores as we move through each round. For the final round and the coveted title of Realtor Games Champion 2024, the 4 highest-scoring teams will battle it out in the Championship Relay! The winning team takes home bragging rights AND the engraved championship trophy"
